**G** **C**  
This is our heart to heart  
**G** **Bm7**  
Lord come and take mine apart  
**Em** **C** **Am** **C**

**G** **C**  
The piece that I've been missing  
**G** **Bm**  
Is the same love You're giving  
**Em** **C** **Am** **C** **Em**  
God of plenty, there's no place I would rather be

## VERSE 2

This is a brand new start  
New life from my dead-end past  
Redefine me with counterculture thinking  
I am a new creation  
Partnered in resurrection  
God, count me in, may my answer ever be

## PRE-CHORUS

**Em** **D** **G** **C** **G/B** **Em**  
Now I am living for an audience of one

My heart is racing solely for Your kingdom come

## CHORUS

**C** **D** **G** **Bm7**  
There is beauty in these ashes  
**C** **D** **G**  
And the best is yet to come  
**Bm7** **C** **D**  
I strip away all that lowers my sights  
**G** **Bm7** **Em** **D**  
God, lead the way through every juncture in my life  
**C** **D**  
I resign it, wholehearted, my audience of one  
**G**  
I choose You

(Final Chorus)

**Em7** **D/F#**  
Single-minded, I'm pining for the unconditional  
**G**  
I choose You

## BRIDGE

**Em** **Bm7** **C** **G** **D**  
Down on my knees again is where I make my stand  
**Em** **Bm7** **C** **D** **D/F#**  
Where life is turned around by the only one who can  
**Em** **Bm7** **C** **G**  
I'm letting go this so-called comfort and control  
**D** **C** **D**  
I resign it, wholehearted, my audience of one  
**Em7** **D/F#**  
Single-minded, I'm pining for the unconditional
