

# Battle Cry

Joe Blake

## VERSE 1

**Bb**

Let us arise now, rally together

**Eb Cm Eb**

Heeding the call to arms, awaken

**Bb**

Let's come alive now, put on salvation

**Eb Cm Eb**

Fly heaven's banner high, then through the storm we fight!

## VERSE 2

Be not afraid now, be not mistaken

Even when our own faith is shaken

Our God is for us, here now and always

Darkness is fleeing fast 'cause Jesus is alive!

**Bb (Gm on other verses)**

## CHORUS

**F/A Bb**

**Cm Eb**

Angels in chorus are sounding the charge

**F Eb**

**Gm**

Lifting a battle cry in the name of the Father

**F/A Bb**

**Cm Eb**

Armed with Your truth we are guarding our hearts

**F Eb**

**Bb**

Lifting a battle cry in the name of the Father

## VERSE 3

The old life is gone now, strides are made forward

As God shines His guiding light before us

See the walls shatter as we meet our calling

The father of lies may fight, but the war's already won!

## BRIDGE

**Bb**

**Gm Eb**

All hail to our hell-binding King

**Bb**

**Gm Eb**

We brace ourselves for limitless things

**Bb**

**Bb/D Eb**

Once more He barricades us from our sin

**Bb**

**Bb/D Eb**

So let's go to war for the gospel to sink in
