

Love Like That

Joe Blake & Ollie Bennett

VERSE 1

C **C/E**
Love, rain down over me
Am7
Enough to tip the scales
F
To flip my world head over heels
C **C/E**
Love, break new ground in me
Am
Let it soak me through
F **C**
And see this shackled heart see free

VERSE 2

Love, teach me harmony
Like a breath of fresh air
That turns the tide inside of me
Oh love, reach new depths in me
Quenching every pore
And pouring out for all to see

CHORUS

F **C** **Em7** **Am7**
Do as he does, love just as He loves
F **C** **Em7** **Am7**
As love floods in, it covers all our imperfections
F **C** **Em7** **Am7**
It's undeserved, extravagant and never wavers
F **C** **G**
Can we love like that?

BRIDGE

Am
Forgive as He forgave us
F
Displace our hurt with trust
C
In the name of Jesus
G
In His love so glorious
