

My Father's Eyes

Capo 4

Joe Blake, Gabby Sproat & Bean Baker

VERSE 1

C **G/B**
The scribe of stars
Em **G/B** **C**
Of every grain of sand, each race and clan
G/B
Yet close to us
Em **D** **C**
For any who believe, the offer stands
G/B
Be born again
Em **G/B** **C**
And know the One who handmade time and space
G/B
Came for us all
Em **D/F#**
And was broken in our place

VERSE 2

For God so loved
His only son went to the grave and back
Revealed to us
The greatest gift mankind has ever had
Our saving grace
He crowned us heirs of everlasting life
I'm heaven bound
And affirmed in the divine

PRE-CHORUS

C/E **G/B** **D**
You reach me when I sink too deep
C/E **G/B** **D**
You enfold me when the climb's too steep

CHORUS

G **C**
I am a vision realised
Em **C**
I am the sparkle in my Father's eyes
G
I am His joy and His pride
C **Em** **C**
So why would I even consider otherwise
Em **C**
He broke His own heart to heal mine
G **Em9** **C**
He loves me

VERSE 3

It's not too late
Against all odds, You give new lease of life
The fact remains
In fear and wonder I have been designed
And when I stray
My shame and condemnation have no place
Your final word
Is You love me anyway

BRIDGE

G **C**
Nothing can separate us from Your love
G **C**
No, nothing can separate us from Your love
Em **C**
No, nothing can separate us from Your love
G/B **C**
No, nothing can separate us from Your love
