

# Reaching Out (The Holy is at Hand)

Joe Blake & Shaun Russell

## VERSE 1

**D**            **G**            **D**            **A**  
The Holy is at hand, He's moving as we gather  
**Bm**            **G**            **D**            **A**  
Where every promise and perfect plan comes together  
**A/C#**            **Bm**            **G**            **A**  
Through lowlands, over peaks, He tends us with a passion  
**A/C#**            **Bm**            **G**            **A**  
Horizons wait beyond what I see or imagine

## CHORUS

**D**                            **G**  
We're reaching out  
**D**                            **A**  
We're reaching out  
**Bm**                            **G**  
To the one who claims our failings  
**D**                            **A**                    **D**  
And gives to us victory

## VERSE 2

The Holy is at hand, in Him I am empowered  
There's purpose in the portion I have, in this hour  
In binding with my kin, abiding in my saviour  
My future's sealed with His fingerprint, sealed with favour

## VERSE 3

The Holy is at hand, we step into His presence  
We set our gaze upon Him with thanks and with reverence  
United we will stand, for each of us is chosen  
The hope bought by the holes in His hands can't be stolen

## TAG

Reach out in faith  
Reach out in hope  
Reach out in love  
To the Holy one
